NYEF CHAPTERS' PRESIDENT MAY 2021 – JUNE 2022

Hear from our NYEF President of each of 11 Chapters across the nation.

“ The presidential journey in NYEF from Nov 2021 to June 2022 has been one of the unforgettable and transformational experiences on a personal and professional level. Establishing an NYEF chapter in Birgunj was challenging. The fulfilling criteria such as age requirement between 18 to 40 years, citizenship for identification and lastly, owning an enterprise sets the benchmark. However, with the support of the mentors like Mr Gopal Kedia Immediate Past President of Birgunj Chamber of Commerce and Industries (BiCCI) and our founder President Mr Arbindra Bahadur Amatya, Corporate Director at NPL, I was able to bring together a team, full of zeal and zest.

I believe combining the expertise and knowledge of stakeholders from older generations with the open-minded youths who have fresh ideas and willingness to execute can bring desirable and tangible results. It is the power of 'united strength'. I would like to heartily thank all my fellow members, NGC NYEF and my mentors who have enlightened my leadership journey. Entrepreneurship is not just about a new company and job creation. It is also about improving humankind.

Mr. Anup Kumar Agrawal,
President
NYEF Birgunj Chapter

“ First of all, I would like to thank all members of the Kailali Chapter for electing me as the president of the Kailali Chapter for the year 2021-22. Due to the covid pandemic, we could not perform as per our annual schedule. However, I am glad to say that we were just 11 members during my tenure and the final board handed

over 45 members to the upcoming board of 2022-23. It will be a milestone in the history of the Kailali chapter.

Finally, I thank NYEF and NGC for their support and motivation. During this one year, what we have learned, we will share with others and will always be with NYEF in the future too. Thanks to all!

Mr. Roshan Prasad Bhatta
President
NYEF Kailai Chapter

“ Leading a team of young entrepreneurs with the vision to grow and stay back in Nepal was a great choice as I had stayed back for the same. In my NYEF journey, leading the team as the President of NYEF Biratnagar will be a remarkable learning experience and a memorable one. Even though I had the opportunity to guide some well-known youth-led social clubs like Lions and Rotary, NYEF has been the best.

A circle with the same vision and passion of growth in business and a belief to bring change in what we do made us stronger and gave me more strength to lead the chapter together.

Mr. Yunes Raj Shrestha
President
NYEF Biratnagar Chapter

“ It is a great honour to finish this term as the President of the NYEF Chitwan Chapter. 2021-2022 has been a challenging, exciting and, most importantly, very rewarding tenure. We started our tenure when the pandemic blockade caused by COVID-19 began. However, with the limited resources, we tried our best to perform our duties and fulfill the OKR (Objectives and Key Results) and Standard Operating Procedure given by NGC.

Managing the limited resources and digitally collaborating with various partners, my team and the entire members of NYEF Chitwan had believed in inspiring, motivating and connecting with young, enlightened, like-minded entrepreneurs. I look forward to having sound relationship with all the Chapters of NYEF in days to come.

Mr. Rajesh Gautam
President
NYEF Chitwan Chapter

“ As the President of the Surkhet Chapter, it was challenging, exciting, and joyful. To a great extent, this term allowed me to develop my leadership qualities. I learned a lot about the reality of the corporate culture and business environment of Nepal.

Knowing more people and making new friends throughout the country was one of the biggest achievements of my tenure. I feel glad and blessed to have joined this forum and the Surkhet Chapter. It will always remain in my heart as one of my best memories.

Mr. Sandesh Rawat
President
NYEF Surkhet Chapter

In 2007, I still remember the moment when I joined NYEF Pokhara. In my 15 years of NYEF journey, I started as a general member, and gradually, I was able to reach the leading position in one of the prestigious organisations of Pokhara, the NYEF Pokhara Chapter. It helped me make networks in all 7 provinces. Now, NYEF has become an extended family. I am always grateful to NYEF because it allowed me to enhance my leadership skills.

I will always appreciate and be thankful to NGC and the President, Mr. Udeep Shrestha, including the NGC board. Thank you for supporting us and organising national events like Mechi Mahakali Motor Rally, National Retreat, National Leadership Conference, YES, YESW and more.

I would also like to thank all Chapter Presidents and Pokhara Chapter PP, EC, Members and FON brothers for supporting me during my tenure. Special thank you to our 1st VP Suyash Malla and my EC team, for always being with me and for your unconditional support.

Mr. Sunil Bahadur Bhattarai
President
NYEF Pokhara Chapter

My experience as the President of the NYEF Rupandehi Chapter has been refreshingly different compared to other experiences building up network connections and getting in touch with new friends. I had a clear outline of the organisation, its vision and core values and had completed tenure working on those values, mission & vision. At the beginning of the tenure, it was a tough time. Due to COVID we had to figure out how tasks were to be completed.

Gradually, the situation came to normal, and the execution of events became much easier. It helped me provide a platform to showcase my creativity in work. It was always great working with the National Board and other Chapter fellows throughout the year. Lastly, my chapter members' zeal & enthusiasm helped me to achieve my goals assuredly.

Mr. Pradeep Shakya
President
NYEF Rupandehi Chapter

During my tenure, I have had non-negotiable conditions: an organisation which inspired me, a position that challenged me, and supportive management under the leadership of Mr Udeep Shrestha who encouraged me with a great environment and team spirit. With NYEF, I feel like part of something bigger. I sincerely thank every one of you for giving me this opportunity. My one piece of advice to the upcoming

President of the NYEF Janakpur Chapter is, "Success comes down with hard work plus passion and overtime. If you work hard over a long period, it will pay off."

Mr. Ashish Mahata
President
NYEF Janakpur Chapter

NYEF Lalitpur has been the foremost part of my entrepreneurship journey. From working for my business to working with fellow entrepreneurs for the betterment of youth entrepreneurship in Nepal, it has been fulfilling. During my short presidency, I had the privilege to have known and worked with many aspiring young entrepreneurs of Nepal, who will be the torch bearers of entrepreneurship in the years to come.

I'm glad to have been a part of something that would encourage growth and fellowship among such entrepreneurs. Being able to start and guide a new forum for active youth showed me what NYEF can do for our Nation. I developed a great partnership with my fellow entrepreneurs & team that I will always cherish in days to come

Mr. Aabhushan Jyoti Kansakar
President
NYEF Lalitpur Chapter

An amazing year. I hope that this year's program will have a positive impact on our members. The NYEF Sunsari had mainly focused on the social aspects this year. We wanted to connect with the society we live in. We made a trip to Guphapokhari, a remote place to help promote tourism, where we also contributed to the underprivileged children of nearby schools.

We also contributed to the covid isolation centre by providing cash, goods and voluntary services from the members. We couldn't do as many programs, but the ones we did impact our members and society.

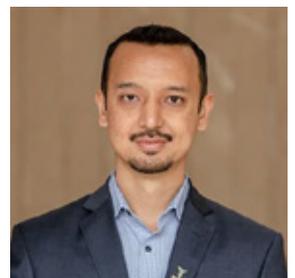

Mr. Kumud Niraula
President
NYEF Sunsari Chapter

Thanks to NYEF for allowing me to lead the Kathmandu Chapter head-on. Covid-19 wasn't easy for us, but it got off to a good start this year. Over the past year, with the support of all branch members and executive committee members, we contributed significantly to improving the ecosystem of young entrepreneurship in Nepal.

Personally, this is one of my greatest learning experiences so far. I never thought I would have the opportunity to lead some of today's best young business leaders. Some of my main goals since joining NYEF have been to expand my network, impact the lives of young entrepreneurs and leave a legacy. As president, I believe I have achieved these goals during my tenure. With all the new learning and networks I have gained, I am confident I can apply these skills in my career shortly. Lastly, I am always grateful to this wonderful organisation for giving me the platform to be the best version of myself.

Mr. Niraj Rudra Karmacharya
President
NYEF Kathmandu Chapter

A MESSAGE FROM NYEF PRESIDENT

Dear NYEF Members,

To begin with, I would firstly like to express my heartfelt gratitude for believing in me and allowing me to lead NYEF. I am honoured to have led Nepal's largest forum of young entrepreneurs and have tried my best to add to the work of my predecessors. Focusing on our theme "ENHANCE"; all our activities this year aimed to enhance member connectivity, chapter strength, organisation visibility and having a strong influence on all three levels of the government. Additionally, we also focused on improvising the level of current events in terms of reach and sustainability, increasing members' satisfaction through maximum value creation and increasing team strength to achieve our goals for 2025.

In line with our mission, we have updated our website and relaunched NYEF's mobile application on both Android and iOS platforms. Amongst the many activities conducted throughout my tenure, I'd like to take this opportunity to highlight some commendable moments that I believe have resulted in us being more connected as a community and ever more committed to NYEF's core values.

- The Launching of Nepal's first entrepreneurs' portal,
- Partnering with Yeti Airlines as our airline partner and various legal firms and organisations as knowledge partners,
- The addition and initiation of the Lalitpur Chapter to NYEF's chapter count,
- Organising the Mechi - Mahakali Motor Rally,
- Establishing a start-up committee in each chapter,
- Updating, publishing and distributing our national directory,
- Conducting multiple flagship events at both regional and national levels.

As I look back on all these activities over the last year, I feel extremely proud to reflect on the extraordinary achievements that we have surpassed as a youth organisation. I am confident that NYEF's future leaders will work even harder and take this forum to greater heights. As our community grows year after year, we have an even greater responsibility as young entrepreneurs increasingly look to us to be their voice. Lastly, I would like to express my sincere gratitude to the NGC, chapter presidents, ALG and the entire NYEF family for supporting me during my tenure and helping me lead NYEF. It has been an honour working for you and I hope to see NYEF reach even greater heights in the coming years.

Thank you!

A handwritten signature in black ink, appearing to read 'Udeep Shrestha'. The signature is stylized and fluid.

Mr. Udeep Shrestha
NYEF President, 2021/2022

Flagship events organized by NGC & CHAPTERS

Nepalese Young Entrepreneurs Forum (NYEF) in Nepal hosted the first-ever Mechi - Mahakali Motor Rally 2022 from March 24th to 27th, with the motto "Together for Local Tourism". It is an event aimed at fostering Nepalese entrepreneurs while deepening team ties and promoting local tourism. More than 90 NYEF members and entrepreneurs from various local chapters attended the motor rally.

Dr. Dhananjay Regmi, CEO of the Nepal Tourism Board, inaugurated the event "Mechi- Mahakali Motor Rally-2022" at the Nepal Tourism Board Main Gate by flagging off the rally team at 10:00 AM.

According to NYEF President Udeep Shrestha, the rally was organised nationwide to promote local tourism, individual, collective and public business, increase opportunities, provide opportunities and space, and help the entrepreneurs spread the local culture.

The rally began from Kathmandu, Pokhara, and Sunsari respectively, and met together at Chitwan. Similarly, Biratnagar, and Janakpur met at Amlekhgunj, while other Chapters met on the way and headed to the final destination of Bardiya and moved back on 29th march to their respective origin.

Cultural Lakhe Dance performance at the Annual National Retreat hosted by NYEF Kathmandu Chapter.

NYEF ANNUAL NATIONAL RETREAT

This year, the NYEF Kathmandu Chapter hosted the Annual National Retreat at the Gokarna Forest Resort as a networking event on 8th April 2022.

Over 170 participants of all 11 Chapters participated. The involvement in networking sessions and fun games with unique personalities made the event successful.

8th

YOUNG ENTREPRENEURS SUMMIT (YESW) - WOMEN

The Young Entrepreneurs Summit (YESW) - Women has been a flagship event of NYEF since 2013. The event was organised to showcase women entrepreneurs running businesses in different sectors. This year, YESW - 2022 took place with the theme "Beyond Barriers" at Hyatt Place Kathmandu on 23 April 2022.

Honourable Minister Pampha Bhusal, Minister of Energy, Water Resources and Irrigation (MOEWRI) Nepal, appeared as the Chief Guest for the event. Furthermore, Sangita Pandey from Aama ko Achar, Federation of Woman Entrepreneurs Associations' of Nepal (FWEAN) President Neeru Rayamajhi Khatri, Vidhusi Rana from Goldstar, Subhash Sharma from F1soft International, and Aanchal Kunwar, CEO of Daraz Nepal were among the panel inspirational speakers. The event also featured up-and-coming startups and new ventures such as BiheNepal, Educause, Makkuse, and Suiro, led by young women entrepreneurs. Over 150 participants, including entrepreneurs, working professionals, experts, startups, and students were present during the event.

Inauguration Panas Lighting Ceremony by Honourable Minister Pampha Bhusal, Ministry of Energy, Water Resources and Irrigation (MOEWRI) Nepal.

NYEF partnered with the LEADER project to host a two-week workshop on business plan development (April 18 - 29, 2022). LEADER is a student initiative at Ivey Business School at Western University, Canada, to promote economic growth through business education. The goal is to help entrepreneurs start and expand new businesses through case studies, lectures, workshops and mentoring programs focused on business administration and entrepreneurship.

All trainers in the LEADER project are trained using Ivey's unique case techniques and use a curriculum based on the high-quality case studies created by Ivey. This year, the LEADER project took place from April 18, 2022, to April 29, 2022, with 31 participants.

Brilliant Participation during the LEADER Project, a student initiative at Ivey Business School, Canada.

4th NATIONAL LEADERSHIP CONFERENCE

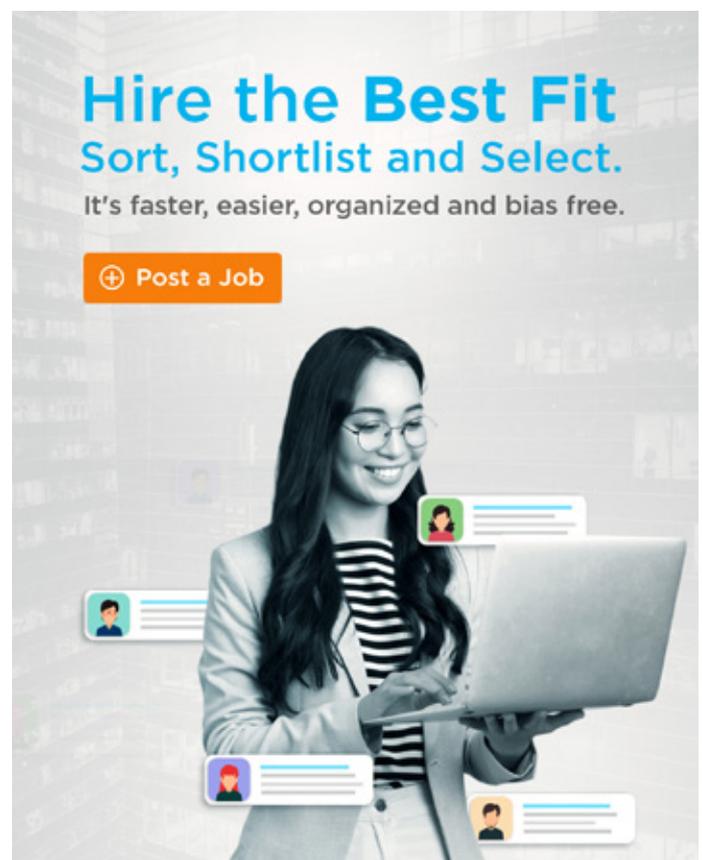

NYEF National Leadership Conference was started with the theme “Elevate Your Leadership” in 2018. This two-day conference was the first of its kind and it aimed to bring together NYEF members holding leadership positions from all of its 11 chapters in all 7 provinces along with the past and present members of the National Governing Council.

NYEF ALG, NGC members and former and past NYEF Pokhara Chapter members at the 4th National Leadership Conference.

This year the 4th National Leadership Conference 2022 was hosted by the Pokhara Chapter at Mountain Glory Forest Resort, Pokhara on 20th May and 21st May 2022. The National Leadership Conference session is designed with Keynote Speakers and Parallel tracks. The attendees participated in numerous parallel tracks led by more nationally known experts whose sessions covered Presidential, Learning, Membership, Finance, International Alliance and NYEF Connect tracks led by Past Advisory Leadership Group (ALG) and National Governing Council (NGC).

The speakers who shared their insights were: Mr. Nakhim Uddin, the co-founder of Team Quest, brand owner QFX and Labim mall; Mr. Dilip Agrawal, the Founder & Director of World link Pvt. Ltd.; Mr. Narayan Prasad Sharma Duwadee, Joint-secretary of MOICS; Mr. Anjan Shrestha, Executive Director at Laxmi group and 2nd Vice President at FNCCI; and Mr. Sunil Goshali, Founding Member of Pokhara Chapter. Altogether, a total of 80 NYEF members holding leadership positions from all of its 11 chapters in all 7 provinces along with the past and present members of the National Governing Council were present at the conference.
